U.S. Environmental Protection Agency, Office of Research and Development,
National Health and Environmental Effects Research Laboratory, Atlantic Ecology Division

Protect our Environment

JOIN us for environmental research displays,
eco-activities, crafts, and family fun for everyone!

Lots of hands-on activities including:

- marine touch tanks
- cyanoScope: mapping cyanobacteria one slide at a time
- demonstrations of boats and field sampling equipment
- carbon dioxide and the ocean
- tours of our wet laboratory and greenhouse facilities
- dress up like a scientist! (photo booth)
- oyster magic - benefits of estuarine filter-feeding organisms
- wetland restoration and protection
